## 2010 NC-CEC Mini-Grant Application

The North Carolina Council for Exceptional Children invites members to submit proposals for a competitive mini-grant related to programs for students with exceptional needs. NC-CEC is sponsoring \$500 grants for the purpose of rewarding members who have innovative ideas for better meeting the needs of students with disabilities. The grants are available to any CEC member throughout the state and will be awarded at the NC-CEC State Conference, January 28, 2010. Recipients are expected to present, or hold a poster session, on their grant project/activity at the 2011 state conference. Recipients' registration fees will be waived for the 2010 and 2011 state conferences.

Projects should reflect best practices in special education, result in positive benefits to students with disabilities and feature measurable results that can be evaluated.
